6.4 Drivers and Co-drivers will be allowed to score points in ONE class only on any individual event.

6.5 In each of the classes, points will be awarded to the highest placed registered Drivers and Co-drivers as follows: 12, 10, 9, 8, 7, 6, 5, 4, 3, 2 and 1 point

6.8 A Start Bonus incentive will operate within the class structure only. Bonus points will be awarded based on number of championship events STARTED, i.e;

On a competitor starting their first championship event they will be awarded 1 Bonus point.

On starting their second championship event they will be awarded a further 2 Bonus points, and so on until being awarded 8 bonus points on starting their eighth championship event.

The total number of bonus points awarded (maximum 36) will be added to the competitors championship class score (as per Art 6.7) to give their final a final total. These bonus points will be shown separately in points tables, and for the avoidance of doubt, ALL bonus points scored will count, not only the best 6.

**11 All competitors scores will count towards their final point's total. The scoring system will reflect achievement against other registered competitors in the same championship classes and the level of registered competition in the classes. Points will be allocated as follows: 10, 8, 7, 6 and so on down to 1 point**  
**An additional point will be awarded for each Award contender beaten in the capacity classes (excluding non-finishers), up to a maximum of 3 points.**  
**Note that any competitor finishing in the top 5 positions overall on each event shall not be eligible for this award**
